

Co-Authorship Form

This form is to accompany the submission of any thesis that contains research reported in co-authored work that has been published, accepted for publication, or submitted for publication. A copy of this form should be included for each co-authored work that is included in the thesis. Completed forms should be included at the front (after the thesis abstract) of each copy of the thesis submitted for examination and library deposit.

This form should be completed by a co-author, not by the student.

Please indicate the chapter/section/pages of this thesis that are extracted from co-authored work and provide details of the publication or submission:

Pages 10-74 contain information from the published paper.

*Anti-Fouling Properties of Phosphonium Ionic Liquid Coatings in the Marine Environment
by Sajith Kaniyadan Baiju, Brent James Martin, Rayleen Fredericks, Harikrishnan Raghavan, Karnika De Silva and Matthew Greig Cowan, Polymers 2023, 15(18), 3677; <https://doi.org/10.3390/polym15183677>*

Please detail the nature and extent (as a percentage) of contribution by the student:

80%

Certification by Co-authors:

If there is more than one co-author then a single co-author can sign on behalf of all

The undersigned certifies that:

- The above statement correctly reflects the nature and extent of the student's contribution to this co-authored work
- In cases where the student was the lead author of the co-authored work, they wrote the text

Name: Matthew Cowan
Signature: September 2023

Date: 11
