GEOMORPHOLOGY OF KAIKRUI
TAKAKA PLATEAU AND PIKIRUNA KARST ZONES
1:15 000 SCALE

Map No. 2a
Date: 2002
Compiled by D. Richards

ACKNOWLEDGMENTS
Lithological facies codes modified from Maharajah et al. (1996) and Glenday (1971). Slope classes and 20m contours derived from Digital Elevation Contour, Land Information New Zealand. Coastline digitised from Ordnance, Topographical Maps Maruia Falls to Takaka (Department of Lands and Survey New Zealand). River and Road outlines from GIS, Tasman District Council (2002). Map data from X. McCarthy.

MISCELLANEOUS
The map scale is not representative of road widths and generalisation of boundaries.
