Degree: MSc Environmental Science

Year of presentation: 2012

University Department: Forestry

Chief Supervisor: Professor David A. Norton

Consents
Except during the period of any embargo approved pursuant to a request made in the following section, I agree to this thesis being consulted for research or study purposes, provided that due acknowledgement of its use is made where appropriate;

And

I consent to copies of this thesis, in part or in whole, being made for research or study purposes at the discretion of the University of Canterbury Librarian;

Request for an embargo
I request an embargo of this thesis for 6 months (to a maximum of 24) from the date of receipt of the thesis by the Library on the basis that (please tick as appropriate):

☐ (i) It contains commercially sensitive material which will breach prior contractual arrangements with an outside organization.

☐ (ii) Access will endanger protection of future intellectual property rights (including opportunity to publish or make patent application).

☐ (iii) This is necessary to ensure compliance with the law or protection of national interests or public safety.

☐ (iv) The research uses personal sources and/or contains sensitive cultural information which has been obtained on condition that the items be restricted.
