This form should be completed after consulting the "Policy on Availability of Theses and Dissertations"

Please return this form to: Dean of Undergraduate Studies, University of Canterbury.

Full name of author: Melissa Lin Pendley

Full title of dissertation: Assessment of New Zealand’s Forest Codes of Practice for Erosion and Sediment Control

Degree: Bachelor of Forestry Science with Honours Year of presentation: 2012

University Department: School of Forestry

Chief Supervisor: Dr Mark Bloomberg

☑ Either (1) I agree to this dissertation being consulted for research or study purposes, provided that due acknowledgement of its use is made where appropriate;

And

I consent to copies of this dissertation, in part or in whole, being made for research or study purposes at the discretion of the University of Canterbury Librarian;

☐ Or (2) I request the embargo of the above dissertation for months (to a maximum of 24) from the date of receipt of the dissertation by the Library on the basis that (please tick as appropriate):

(i) it contains commercially sensitive material which will breach prior contractual arrangements with an outside organization

(ii) access will endanger protection of future intellectual property rights (including opportunity to publish or make patent application)

(iii) this is necessary to ensure compliance with the law or protection of national interests or public safety

(iv) the research uses personal sources and/or contains sensitive cultural information which has been obtained on condition that the items be restricted

Student signature M. Pendley Date 10/10/2012
