

Co-Authorship Form

This form is to accompany the submission of any thesis that contains research reported in co-authored work that has been published, accepted for publication, or submitted for publication. A copy of this form should be included for each co-authored work that is included in the thesis. Completed forms should be included at the front (after the thesis abstract) of each copy of the thesis submitted for examination and library deposit.

This form should be completed by a co-author, not by the student.

Please indicate the chapter/section/pages of this thesis that are extracted from co-authored work and provide details of the publication or submission:

The conference paper titled "**Virtual Reality Games for Children with ADHD in Formal Education**" has played a pivotal role in shaping **Chapter 2** (Background) of this PhD thesis, **influencing every section within it**. Furthermore, its impact extends to **Chapter 5**, where it significantly informs the game design process, particularly in **Section 5.1**, which deals with requirements.

In Gaming, Simulation and Innovations: Challenges and Opportunities: 52nd International Simulation and Gaming Association Conference, ISAGA 2021, Indore, India, September 6–10, 2021, Revised Selected Papers (pp. 211-220). Cham: Springer International Publishing.

Please detail the nature and extent (as a percentage) of contribution by the student: Meike has designed and conducted the literature review forming the basis of this conference contribution. She has developed the structure for the article and has written the majority of its text. The co-author provided guidance and feedback on the whole process and reviewed the article before submission. Meike presented the work at the online conference. Meike's work on this publication was 90%.

Certification by Co-authors:

If there is more than one co-author then a single co-author can sign on behalf of all

The undersigned certifies that:

- The above statement correctly reflects the nature and extent of the student's contribution to this co-authored work
- In cases where the student was the lead author of the co-authored work, they wrote the text
