

Co-Authorship Form

This form is to accompany the submission of any thesis that contains research reported in co-authored work that has been published, accepted for publication, or submitted for publication. A copy of this form should be included for each co-authored work that is included in the thesis. Completed forms should be included at the front (after the thesis abstract) of each copy of the thesis submitted for examination and library deposit.

This form should be completed by a co-author, not by the student.

Please indicate the chapter/section/pages of this thesis that are extracted from co-authored work and provide details of the publication or submission:

The book chapter titled "**Immersive Games for Neurodiversity and Mental Health in Children and Young Adults**" informs **Chapter 2** (Background) of this PhD thesis, influencing **every section within it**. Furthermore, its impact extends to **Chapter 5**, where it informs the game design process, particularly in **Section 5.1**, which deals with requirements.

Please detail the nature and extent (as a percentage) of contribution by the student: Meike has contributed to this chapter with a section on Games for children with ADHD (attention deficits), and helped with the structure and writing of the main text. The other co-authors contributed with sections on games for children with ASD (Li) and social anxiety (Platt-Young), and a general introduction and summary/conclusions section (Lukosch). All co-authors edited and revised the chapter together. Meike's work on this publication was 25%.

Certification by Co-authors:

If there is more than one co-author then a single co-author can sign on behalf of all

The undersigned certifies that:

- The above statement correctly reflects the nature and extent of the student's contribution to this co-authored work
- In cases where the student was the lead author of the co-authored work, they wrote the text
