

Use of Thesis Form

This form should be completed after consulting the "Policy on Availability of Theses and Dissertations".

 Please return this form as an email attachment to postgraduate-office@canterbury.ac.nz

Student's Name:	<i>Anna Miles</i>
Degree	<i>PhD</i>
Thesis Title:	<i>Validation of cough reflex testing in dysphagia management</i>
Department/School:	<i>Speech and Language Pathology</i>
Senior Supervisor	<i>Dr Maggie-Lee Huckabee</i>
Date:	<i>27 May 2013</i>

Declarations

- I declare that the thesis represents my own work
- I declare that any copyright approvals for material included in the thesis have been obtained

Consents

- Except during the period of any embargo approved pursuant to a request made in the following section, I agree to this thesis being consulted for research or study purposes, provided that due acknowledgement of its use is made where appropriate
- I consent to a copy of this thesis being included in the University of Canterbury Library Repository

Request for an embargo

I request an embargo of this thesis for _____ months (to a maximum of 24) from the date of receipt of the thesis by the Library on the basis that (please tick as appropriate):

- it contains commercially sensitive material which will breach prior contractual arrangements with an outside organization
- access will endanger protection of future intellectual property rights (including opportunity to publish or make patent application)
- this is necessary to ensure compliance with the law or protection of national interests or public safety
- the research uses personal sources and/or contains sensitive cultural information which has been obtained on condition that the items be restricted

Co-Authorship Form

This form is to accompany the submission of any thesis that contains research reported in co-authored work that has been published, accepted for publication, or submitted for publication. A copy of this form should be included for each co-authored work that is included in the thesis. Completed forms should be included at the front (after the thesis abstract) of each copy of the thesis submitted for examination and library deposit.

Please indicate the chapter/section/pages of this thesis that are extracted from co-authored work and provide details of the publication or submission from the extract comes:

Miles, A., Moore, S., McFarlane, M., Lee, F., Allen, J. & Huckabee, M-L. (early online) Validating cough reflex testing against instrumental assessment of aspiration. *Physiology and Behaviour*. DOI:
<http://dx.doi.org/10.1016/j.physbeh.2013.05.004>

Please detail the nature and extent (%) of contribution by the candidate:

Primary researcher- contributed to study design, ethics approval, participant recruitment, participant training, data collection, data analysis and manuscript preparation (80%).

Certification by Co-authors:

If there is more than one co-author then a single co-author can sign on behalf of all

The undersigned certifies that:

- The above statement correctly reflects the nature and extent of the PhD candidate's contribution to this co-authored work
- In cases where the candidate was the lead author of the co-authored work he or she wrote the text
